

Jimmy Pranjic 'I've been sharing my home with 13 spirits!'

When Jimmy Pranjic woke in a state of panic after he felt the sheets being tugged off his bed, he says it was the weirdest experience ever.

"I had to pinch myself to make sure I wasn't dreaming," says Jimmy, 44. "After calming down I went back to bed - and it started shaking!"

Jimmy's first encounter with the paranormal came years before.

"It started when my family moved to Merrylands, NSW, in 1998," he says. "One day I was lying on my bed. I looked up and the light bulb was unscrewing itself."

"I ran out of the room thinking I'd imagined it, but when I went back in there were shards of glass on the floor."

For years Jimmy tried to live harmoniously with the 13 spirits he house-shared with, but after his mother's death in 2004, things took a turn for the worse.

"I needed help. I couldn't sleep and I was always scared to go home. Thankfully professional medium Kerrie Erwin cleansed the nasty spirits with sage, and taught me how to help them move on if any more appear," he says.
